

Dear Ladies,

Happy New Year!

2011 was a very successful year for our club and for our partnership with UMOM New Day Centers.

Our membership rose, attendance at our monthly General Meetings increased, our speakers were incredible, and your support and donations of over \$2000.00 to UMOM New Day Centers made a big difference in the lives of many homeless families.

Attached are some pictures that were taken at Winter Wonderland and a thank you note from some of the teens who received the wonderful hoodies that

we gave them this Christmas.

I will be passing the New Day Basket at the the January General Meeting, we will be collecting for 2012 day timers.

The employment counselors give them to all the parents throughout the year to keep track of their job search and appointments.

Every adult resident at UMOM is expected to be working, looking for work, going to school or getting training in order to find work.

It is my belief that this is probably the number one reason why UMOM New Day Centers is one of the most successful family shelters in the country.

*"They are a hand up not a hand out organization".*

Thank you again for all you have so generously given.

Bless you,

Anthea
