Paradise Republican Women's Club  
P.O. Box 12070

Dear Susan and Paradise Republican Women,

December 11 was a very special day for the children at UMOM New Day Centers, Arizona's largest homeless shelter for families. It was on this day that thanks to your generous support, children of all ages received a warm coat. This was a day filled with games, cookie decorating, family photos, singing, ornament and tree decorating... just to name a few. Yet, with all these fun activities to choose from, the longest line was for the warm winter clothing.

I'd like to thank Anthea for going shopping at midnight on Black Friday to purchase the coats on behalf of the Club. Her passion for helping others is contagious! Your Club's support of our work with homeless families is so important, especially as we see the needs continue to increase. Together we are serving hundreds of men, women and children who call UMOM home.

Thank you for your continued generosity of providing much needed items to the children and families at UMOM. We wish you and your families a safe and healthy holiday.

Sincerely,

Darlene Newsom  
Chief Executive Officer
